Dear Parents and/or Guardians:

Sky Vista is hosting a 6th Grade WEB Orientation on Thursday, August 10th from 8:50 a.m. to 3:50 p.m.

The 6th grade WEB (Where Everybody Belongs) Orientation helps students to make a positive transition from elementary school to middle school. Eighth graders will be assisting as mentors to the 6th graders and to new students throughout the year. Students will participate in group activities to foster a successful Sky Vista experience. Activities will include touring the campus, practicing locker combinations and understanding class schedules. Remind your child to wear comfortable clothing. This is a great opportunity for your student to make connections and have many of their questions answered before the first day of school. They will also meet their teachers and run through a simulated day schedule to help them feel comfortable before the first day.

If your child rides the bus, transportation will be provided and will run according to their regular schedule. Bus schedules will be sent to you by the transportation department. Questions regarding bus schedules should be directed to the transportation department at 720-886-7400.

The 6th Grade WEB Orientation is the first step toward success at middle school, so attendance is strongly encouraged.

PLEASE SEND A SACK LUNCH WITH YOUR CHILD AS THE CAFETERIA WILL NOT BE OPEN.
Your child will not need any supplies or a backpack on this day.

Sincerely,

Tanya Senesac, Counselor & WEB Coordinator
Zach Moody, WEB Coordinator

As part of their mentoring role, the WEB Leaders will be calling their group members to personally invite the 6th graders to the Orientation Day. If you do not want your child's WEB Leader to receive your phone number, please contact Mrs. Senesac at rsenesac@cherrycreekschools.org or Mr. Moody at zmoody@cherrycreekschools.org
