

2016-2017 Sky Vista Clubs

Sky Vista Middle School offers a wide variety of opportunities for students to extend and enhance their academic learning. Activities meet from 3:00pm until 4:00pm on designated days. Activity buses operate on Monday, Tuesday, Thursday and Friday for students that are eligible to ride the bus. Students must have their ID's and a late bus pass to ride the bus. Activity buses depart Sky Vista at 4:10pm.

 <p>Tech & Drama Club– This year, Tech Club is intended for members to see the STEM elements within theatre arts. We will focus on the technical elements of the theatre through a direct assistance to the Sky Vista fall play and spring musical. (Simply put, Tech Club will function as the “Tech Crew” for both shows.) Members of Tech Club will make connections between the artistic pieces of dramatic productions and the “behind the scenes” elements that are essential to a show’s success. This will include building/engineering set design, costume and make up, lights and sound, props, etc. Students will have the opportunity to participate in each part of the production, in order to understand how all the pieces fit together for the final show.</p>	Tuesdays Cafeteria/ Stage	Ms. Pelz 720-886-4860 Ms. Jones 720-886-4867
 <p>The Harry Potter Book Club– We will be reading, discussing and playing with the magical world of Harry Potter. Whether you are a seasoned witch or wizard, or you are a first year, all are welcome and encouraged to find the magic! Hope to see you there!</p>	Tuesdays 7:15am–7:50am Room B114	Ms. Wendel 720-886-4956

Go Nighthawks!
