Happy New Year Everyone! Welcome to the first edition of the Sky Vista Nighthawk Newsletter. In order to keep parents informed about what's going on at Sky Vista, we had several requests for a newsletter. So let's get caught up. It is hard to believe that 2018 is already here. We had a great first semester! What has Sky Vista been up to? Well, we had a great start to the school year, the PTCO sold mums to bring in some much needed funds, and it was a success for its first time. Why buy your fall mums at the store, when you can get them through your school. We had a Fall Dance, which was a blast! The dance raised money for [Autism Awareness](#). SVMS along with Aspen Crossing hosted their annual Veterans Day parade and celebration. It was great to be part of such a wonderful event. PTCO did a Holiday shop for the kids to buy Holiday gifts for their families. The kids loved shopping and previewing all the goodies. The Theater Arts dept. put on a fabulous Musical called [Shrek Jr.](#); hope you didn't miss it! PTCO started doing Nighthawk Family Nights at restaurants the third Thursday of every month. It keeps the PTCO earning money to be able to give back more and it builds Community/School Spirit! The restaurants love to support their local schools, and it is a great way to give back, if you love a night off from cooking! We thank you for your support!! Sports has been under way since the beginning of school and we had some kids and parents ask about concessions at the sporting events. So PTCO started a concession stand out of the school store in the cafeteria. I think everyone has enjoyed being able to buy a snack or drink while they watch the games. We appreciate all the students that offer to help! It has been a wonderful first semester at Sky Vista, we hope your children are enjoying it! The School has an awesome semester coming up, with ideas like a First Annual Hoopla, with Teachers vs. Students bball game, and a Readathon to promote fun reading! There will be a spring dance, and an 8th grade dance. Also, the Drama Club is looking to put on a talent show, and the PTCO wants to make it happen. And we can't forget about the community Carnival that SV hosts. It's fun for all ages, and a great way to include younger siblings in the fun at Sky Vista!
