

Attention Parents of Special Education Students

The Special Education Advisory Committee will have a very special speaker on Thursday, January 10 at 9:30am. Yvette Plummer, the Executive Director for the Denver Metro Community Parent Resource Center, will be our special guest. Her organization serves families who have children with disabilities obtain the support and services they need within the school system and in their communities. Yvette formerly served on the Colorado Special Education Advisory Committee until her term ended June of last year. She currently serves on the Colorado Developmental Disabilities Council's Multi-Cultural Committee, the advisory board of Parent to Parent and is the co-chair of the Colorado Inter-Agency Coordinating Council.

Please join us on Thursday.
